

REMARKS/ARGUMENTS

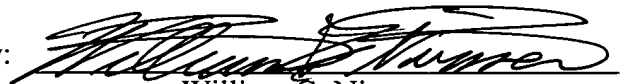

This Amendment is supplemental to Applicant's responsive Amendment filed June 26, 2008. New method claims 52-57 are added which correspond to subject matter of apparatus claims 46-51 presented in Applicant's June 26, 2008 Amendment. All newly submitted claims are fully supported by the original disclosure and, thus, no new matter has been added. If the Examiner should disagree, however, it is respectfully requested that the challenged new claims/amendments/limitations be pointed out with particularity in the next Action so support may be cited in response.

In view of the forgoing amendments and remarks, it is believed that the application is in condition for allowance. Favorable consideration and prompt allowance of this application are respectfully solicited. If any small matter remains outstanding, the Examiner is encouraged to telephone Applicant's representatives at the telephone number listed below.

Respectfully submitted,

NIXON & VANDERHYE P.C.
